

Bailey Smuhl announced that there will be two Industry Day sessions during which PIC-NG, UPCS-V, and the future of VMS will be discussed.

- Phoenix, AZ- February 14-15: <https://www.eventbrite.com/e/industry-day-february-1415-tickets-31259545141>
- Jacksonville, FL- February 16-17: <https://www.eventbrite.com/e/industry-day-february-1617-tickets-31260620357>

The following issues were also discussed:

- The regulation freeze may impact development, depending on its impact on HOTMA
- The February update call may be cancelled due to the industry days
